To the Director.

[75 groups unrecoverable, 3 groups unrecovered].

[Q% men.] [2 groups unrecovered] [Q% began to fall sharply]. At the end of 1944 the construction of ships will be stopped.

2. On the Italian front the troops of the FURBER[LESNOV][1] army consist of the 1st and 2nd Infantry Divisions.

3. [According to] [a] GREEN's[GRIN][11] data production of the Tank Buster [TANK BUSTER][b] is proceeding at the rate of [1 group unrecovered] a month and [1 group unrecovered] tanks over and above the plan for [2 groups unrecovered]. The grand total on 1 January 1944.

[16 groups unrecoverable]

[Q% A] are supposed to be delivered [1 group unrecovered] vehicles of which at the beginning of 1944 only [1% 178] had been delivered and sent overseas. The remaining [1 group unrecovered] will be delivered in January, 1944. Now being tested is an "anti-aircraft" [sic][c] which will fit on the M34s and will have three guns (possibly 80s) instead of six 5-pounder guns. Testing has been going on since summer last year.

4. BOUNCHIST[BOUNCHIST][11] up to now has not obtained detailed data on the Baster for handing over to us.

Notes: [a] Supplied by the translator.

[b] Or the Buster Tank. It is not clear whether this is meant  
 to refer to a type of tank or an anti-  
 tank weapon.

[c] In Latin letters.

[d] Or "type".

[e] Or "sewing-machine".

[f] Not available.

Comments: [i] FOREST : Canadian; in a NEW YORK message LISOVSKIY was used.  
 Both are adjectives associated with the invented name  
 LISOVITS, meaning "Canada" formed from LES "forest, wood".

[ii] GREEN : [REDACTED]

[iii] ECONOMIST: Ivan I. KROTUV, Soviet Commercial Attaché in OTTAWA.

[iv] GRANT : Colonel Nikolaj ZABOTIN, Soviet Military Attaché
